- Enrol Now for 2015

Dates to remember
28 Nov...Last day of school Yr 10 & 11
12 Dec ......Last day of school Yr 8 & 9
27 Jan ....School resumes Yr 7,8, & 11
28 Jan ... School resumes Yr 9,10 & 12

Uniform Shop Hours
8 am to 10 am Mon - Fri

Payment Window Hours
8 am to 3 pm  Mon - Wed - Fri
The last month has been an extremely busy one for all involved with Woodridge State High School. During the midst of a number of special events that marked the end of formal schooling for our 2014 Year 12 students. I would sincerely like to thank and congratulate all staff, students and families for their support during this time.

I am also delighted to announce our School Captains and Vice-Captains for 2014.

School Captains: Tony & Diam
School Vice Captains: Bailee (Junior Secondary), Shekinah and Charis

To Alberto and Johnathan our School Captains. Chloe, Manu and Denis our Vice-Captains on behalf of Woodridge SHS thank you for your leadership and commitment throughout this year you have had a very positive impact on our school community.

At our recent School’s Awards Evening I was delighted to have the honour of presenting the Principal’s report which highlighted the wonderful breadth and depth of fantastic achievements our school community has attained this year. To provide you with some idea of our successes I have included some extracts from my report.

At Woodridge our motto is connected to every world and with approximately 60 different cultures and languages spoken and represented in our school, this is not just something we aspire to but an essential ingredient of what we do to provide equity where educational opportunity is available and accessible to all young people. To encourage full participation and attendance and to provide social connection where learning is meaningful and valued. Key ingredients in building our thriving learning environment for students, staff, families and community members. This is what makes Woodridge State High such an exciting and rewarding place to be.

Over the past 12 months our student population has continued to grow significantly and will grow even further in 2015 with Year 7 moving to High School. During this year we have undertaken a significant amount of work in preparing for the arrival of Year 7 and Junior Secondary in 2015 as we realise this will not only impact on Year 7, 8 and 9 students and staff but on the whole school.

Academically we have continued to make some significant gains in 2014. Currently 24 Year 12 students have already gained offers of early entry into Griffith University courses for 2015 and three of these students gaining bursaries or scholarships. This was also reflected in the achievements of our 2013 Year 12 students where 97% of students received a qualification including a 100% of indigenous students, and 71% of students receiving a VET Cert II or higher, with all these results exceeding the state average.

This year via the work of Ms Julie Dodt we developed a partnership with the Translational Research Institute and Sparq ed, resulting in 9 Year 12 students receiving a Diamantina Ignite scholarship which involved a cash bursary and a week’s work experience in a research lab. A unique opportunity with great outcomes.

In NAPLAN our Year 9 students made an impressive 11% gain in the number of students achieving National Minimum Standards for numeracy and 50% of students achieving either a Distinction, Credit or Proficiency certificate in the Australian Maths Competition. A good foundation on which to build as we enter into an exciting new partnership with QUT and their YuMi Deadly Maths program. A program that is having a significant impact in some of our feeder schools.

This year has also seen the establishment of our Literacy & Numeracy Intervention Team which has provided great support for not only students but staff. Our recent data indicates that this intervention is having a major impact on student literacy and numeracy outcomes, and teaching practices. Congratulations and thank you to all members of this team for their tireless efforts.

The EAL/D centre has continued to grow in 2014 and has also seen the introduction of Ipads to support the main task of learning how to read, write, speak and listen in English. This year has also seen the appointment of Mrs Amy Sullivan as Head of Curriculum for the EAL/D Centre. Tonight I wish to acknowledge all her efforts and to especially congratulate her on being named a finalist in the prestigious Queensland College of Teachers awards. Although Amy did not win, just to be a finalist was an amazing achievement.

Our SEP unit has again this year continued to provide unique and engaging learning opportunities for our students. Particularly through the creation of a fantastic community garden which was used for cooking classes and for fundraising and the bicycle project where under the guidance of Ms Brown and Mr Shortland students have collected old bikes repaired them and then donated them to our community members who were in need of a bike.

Once again Griffith University has continued to enhance learning opportunities for our staff, students and families. This year we have had students involved in the Griffith LEAD program, the Griffith Ambassador’s program and parents involved in the “talking careers”. A sincere thank you to Griffith University for all their ongoing support.

On the sporting fields it is difficult to summarise all the fantastic things that our students have achieved so the following is but a snippet of our successes. Notably we won the Logan District Athletics Carnival for a 9th straight year with our students winning the Logan District Athletics Champions in both the junior and senior boys and girls divisions. The Year 8 Rugby League Team, Year 8, 9 and Open Girls Touch Teams, Yr8 Girls Netball winning their Metropolitan Grand Finals. Our Open Rugby League Team won the Titan’s Cup and Country Cup for the first time. In addition, a number of our students then went on to representative honours at various levels including state representation.

Culturally we have also experienced a great deal of success with our students winning the House of Champions Dance Competition, successfully competing in Logan Idol and doing an amazing job in the Spark It Up ‘I-Reprenz’ Cultural Celebration. Furthermore, our music students undertook a tour to Sydney, playing at six venues including an impromptu performance on the steps of the Opera House.

(Cont)
This year a core group of our students have been involved in coordinating the Change Makers project, which has culminated in the successful publication and distribution of 4000 Change Makers magazines to members of our community. The Team was also responsible for coordinating our very successful Harmony Day celebrations which saw our school come alive with colour, fashion, dance and food as our students celebrate their diverse cultural backgrounds with great pride. Congratulations to all members of the Change Maker Team, staff and students on a magnificent effort.

In 2013 as part of the NAIDOC Week celebrations, Woodridge SHS Care Class representatives presented bark petitions to Professor Megan Davis. In September 2014, we were very honoured to have Professor Davis present these bark petitions to the Permanent Forum on Indigenous People at the United Nations World Conference in New York.

This year our Bulkari Space has continued to provide key support for our indigenous students and has hosted a number of school events. In particular they partnered with PCYC to run the inaugural Catch Me If You Can program which looked to develop relationships between students and the Police and culminated in playing a game at Suncorp stadium prior to the third state of origin.

The Pacific Links program continues to be an exemplar of our school and community working together to improve outcomes and opportunities for our Pacific Island students. A very special thank you to our Pacific Island ministers and pastors who have conducted home and classroom visits throughout the year.

Our Community Hub in partnership with Boystown has continued to grow, developing vital community connections and programs. Since commencing in June 2013 the Community Hub has case managed 121 students and 109 community members and has run a number of Certificate courses for community members. The importance of which was recognised in June when the State Education Minister John Paul Langbroek attended the graduation ceremony for community members who had completed the Cert 3 in Aged Care and Cert 3 in Home Care. The Community Hub also hosted a series of Cultural Connections sessions designed to better equip educators and community members on how best to engage and improve outcomes for our young people. On behalf of the school I would like to sincerely thank Boystown for their ongoing support of this initiative.

In September we held our inaugural Community Engagement Conference with 115 educators, service providers and practitioners attending. The conference promoted school-community programs that were making a difference and provided delegates with key insights into how to engage with our multicultural communities.

And who will ever forget the recent Toa Samoa Fan Day which saw approximately 2000 community members come to the school to support the national rugby league team.

There is no doubt this year has had a number of great highlights for us and as a learning community we have learnt a great deal. However, I look forward to what even greater things we can achieve in 2015.

Finally, to our dedicated staff, thank you for your ongoing commitment to improving outcomes for our students and our community. Without your commitment to continual improvement none of this year’s achievements would have been possible. And to our school families and community partners, thank you for your ongoing support it is greatly appreciated and helps to make Woodridge State High School the exciting and vibrant learning community it is. On behalf of Woodridge State High I wish all of our families and community partners a very merry and blessed Christmas.

Staff News
During the past few weeks several of our staff have received news about promotional positions for 2015. Congratulations and best wishes to the following staff.

• Mr Kurt Rose who has taken up the position of Deputy Principal at Emerald SHS;
• Ms Hind Hegazy who is taking up the position of a Principal Educational Advisor in Central Office in 2015;
• Ms Elle Durance who is taking up the position of a C2C LOTE writer in 2015;
• Mr Rod Flood who has been successful in gaining a permanent Deputy Principal position at Caboolture SHS in 2015;
• Ms Stephanie Wade who has been successful in gaining an Acting Principal’s position at Brisbane Youth Education & Training Centre in 2015.

Cyber Safety
The internet, mobile phones and social media provide wonderful opportunities for people to network and socialise online. While these technologies provide positive platforms for sharing ideas, they also have the potential to cause pain and suffering to individuals, groups or even whole communities. I have listed below some simple strategies which can help keep the use of social media positive and constructive:

• Before you post something online, ask yourself if the community or individual really needs to know. Is it relevant, positive and helpful?
• Remember that what you post online is a direct reflection of who you are. People will potentially form lasting opinions of you on what you post online.

(Cont)
Are we really in the last school weeks of 2014 already? This year has flown by, and to look back, we see the huge amount of work done by all members of the school community. The focus for myself has been getting ready for the introduction of Junior Secondary, including Year 7, for 2015. We have seen the new building rise from a grassy car park to a magnificent state of the art learning facility ready for our new students next year. Alongside the physical construction has been the extraordinary amount of work by a group of teachers who have put up their hand to teach in the new building using new teaching strategies and refined practices that will ensure better outcomes for all our students in the future. As we have said many times, next year is not just about adding another year level to what we already do. It is a prime opportunity to re-evaluate everything and to give our students a new framework to learn in that is attuned to their needs at this time. 2015 will be an exciting year, and as a school I can honestly say – we are ready!

Enrolments have also been a really important part of getting ready for 2015. Thank you to so many of the families who have got in early and secured a place for their student. We are still accepting enrolments at this stage, but would urge any families to get in quick – we need to finalise class lists and teachers.

Wednesday 3rd December is our Orientation Day for the Year 7 & 8 students of 2015 – this is a full day event and students are expected to be in their primary school uniform. Students should come straight to the high school by 9.00am and will finish at 3.00pm. Parents are welcome to come back at 2.30pm to meet the teachers and staff, and enjoy afternoon tea. The uniform shop will also be open from 2.30 to 5.00pm for ordering uniforms. Only fully enrolled students can attend the Orientation Day.

This certainly has been an exciting year at Woodridge State High School, and I am certain 2015 will be a great year ahead.

Awards Night 2014

This year our Awards Night was held for the first time at the Logan Entertainment Centre. It was a great evening of celebration and acknowledgement of our students’ successes in 2014. The student performances were great and our Change Makers topped off the evening with their reflection of 2014. We are looking forward to Year 7s joining us next year and hope that they will continue the work of our Change Makers.

Senior Schooling Years 10-12 2015

As your students prepare for 2015 we are tracking their academic data to ensure that they are on track to achieve a QCE at the end of Year 12. At the start of 2015 your students will be provided with data and information about how they are progressing towards achieving their QCE. If there are concerns your student will be asked to meet with the HOD of Senior Schooling to discuss ways of ensuring that they complete their QCE requirements. We want all parents to partner with us to make sure your student completes Year 12 well.

The Dr Alan Druery OAM Excellence in Teaching Award Finalist 2014

Amy spent her first two years after graduating teaching children in slums in Cambodia. Her passion to provide a world class education to disadvantaged students has continued in her work at Woodridge State High School, where she is actively involved in the Intensive Language Centre (ILC), which provides literacy support for newly arrived students, often refugees, with a language background other than English. In 2010 to 2011 she worked as an Indigenous support teacher at the school, coordinating a program which successfully improved student outcomes and has been instrumental in gaining grants, including one for $30,000 that paid for 80 refugee students to learn how to swim. This year she helped students design a booklet promoting unity and combating racism and has been appointed the Head of Curriculum at the ILC.

Woodridge Launches the Change Makers Magazine

On the 15th of October Woodridge State High School proudly launched our Change Makers Magazine. This magazine is the culmination of a year-long Change Makers project that has given our students the confidence and skills to make a positive impact in our community. The Change Makers magazine was developed by the students at Woodridge SHS and supported by students from the School of Journalism and Communication at the University of Queensland. The magazine celebrates the exciting initiatives and programs that are happening at our school. It also includes personal stories, beautiful photos, info graphics and artwork from across our school community. Our school was able to publish 4000 copies thanks to funding through the Department of Social Service's Diversity and Social Cohesion Program. Copies of the magazine have been distributed across the Logan and wider Brisbane community as we aim to break down stereotypes and proudly display the vibrancy of life in Woodridge.

Amy Sullivan
Acting Head of Curriculum - EAL/D Unit
ENGLISH HIGHLIGHTS FOR 2014

As this is the last newsletter for the year, I thought it relevant to share some of the highlights achieved in the English Department for 2014.

In English, there is a distinct focus on better outcomes in literacy, language and literature. After all, that is what the subject is all about. In this way, through the introduction of a variety of teaching strategies, the English Department has seen improvement in student achievement for 2014. For example:

- The implementation of a school wide approach to reading comprehension (called reciprocal teaching) has made a difference to students’ understanding of texts through predicting, clarifying, summarising and questioning strategies.
- The use of word walls in classrooms has allowed students to access everyday language and be able to use this new vocabulary in their school work, evidenced in the ILC and ESL English classrooms.
- The development, of a new school-wide focus, on paragraph writing or the PEEL structure, has seen students demonstrate improved writing skills across all year levels.
- The development of a new Year 7 and updated Year 8 curriculum to welcome the Juniors into the Secondary setting.

The use of short term data cycles (traffic lights) making a difference with student achievement, evidenced in:
  - Mrs Thornton’s Year 10 English class where several D and E students moved bands to achieve Cs in just one term
  - Mrs Taylor’s Year 8 and 9 English classes improving their overall results in one term.
- Three students exited Year 12 on Very High Achievements for OP Senior English. Well done Alberto, Micklen and Sam! We are so proud of you!
- All Year 12 English for ESL Learners students exited the course achieving a Sound Achievement or higher! Thanks to Mrs Chirila for her outstanding work in helping these students survive an OP English subject.

Only three Year 12 students missed out on their Literacy Tick for the QCE this year (due to extenuating circumstances), which is a marked improvement over previous years. Well done Year 12! This goes to show the commitment that all our Seniors have demonstrated over the last two years.

This year in the English Department we have seen some wonderful changes to student outcomes, not just in achievement but in students’ attitudes to learning and their literacy:

- All English students from Years 8 – 11 have demonstrated an improved engagement in reading through 10 mins of sustained, silent reading at the start of each lesson. Next year, we will be embedding this into Years 7-12 with a 15 + 2 approach.
- Students in Ms Alofipo’s 12 ENC class making the effort to redo assessment in order to pass – and some who actually achieved an A for the very first time because of their attitude to improving their results!
- Mrs Cooper’s Year 11 ENC class performing their dramatic monologues without the aid of scripts.
- Mr Morgan/Miss Carrington’s 12 English Communication class improving their overall effort and commitment to learning in Semester 2.
- Increased engagement in the study of Shakespeare thanks to the Shake & Stir Theatre troupe who performed for the Year 10 English and Year 12 English and English for ESL Learners classes in Term 3.

Many English classes submitting assessment on time, every time.
We are very proud of the outcomes of all of our students in English this year, and I look forward to sharing many more of our highlights with you all in 2015.

I must also give a big thank you to all of the English teachers over the past nine months for their hard work and dedication to the students – Ms Alofipo, Mr Brown, Miss Carrington, Mrs Chirila, Mrs Cooper, Mrs De Ruysscher, Mrs Durrance, Mrs Gotame, Miss Lee, Miss Livermore, Ms Lubin, Mr Morgan, Miss Staines, Mrs Taylor, Miss Van Bergen and Mrs Woolley.

Have a safe and happy holiday.

Warm regards,

Mrs Thornton
HEAD of ENGLISH
At the School-based Apprentices and Trainees Pathways Celebration dinner held at school on 29th October, Sarah was named Trainee of the Year 2014. She was presented with this award by July who was a finalist in the South East Regional SAT Awards and Mrs V Jukic, Head of Department Futures.

Di Dunkley
Industry Liaison Officer

SOSE - 2014

2014 has been an exceptional year in the SOSE department, which has resulted in some outstanding outcomes for our hard working students! Our senior students have graduated with outstanding results. 100% of students passed Year 12 Modern History, Ancient History and Geography! This is a credit to the students who worked hard for their results. In addition to this success, almost a third of students in Modern History achieved an ‘A’, while almost a quarter also achieved an ‘A’ in Legal Studies. The results in our senior Geography, Ancient History and ATSI studies classes were also similar, with almost 20% of these classes achieving an ‘A’ standard. This is an incredible achievement, with the credit again going to the students in these subjects, which are not easy, having worked so hard, and the teachers who have supported them. We anticipate our 2015 Year 12’s will be able to follow this example, and aim high, and achieve great things in 2015. On behalf of the SOSE & LOTE departments, we would like to wish our graduating seniors all the very best as they take the next step into whatever field they pursue. We would also like to wish all students a safe and happy holidays, and hope that they all return in 2015 refreshed, and committed to achieving as highly as our Year 12’s have done!

Casey Thomsen
Head of Department – SOSE & LOTE
2014 Sports Awards
Recently we held our annual Sports Awards ceremony where we acknowledged all our sporting success throughout the year.

The major award recipients were:

**The Yr8 Sportsperson of the Year award went to Rhys.** This year Rhys was part of our District Champion Athletics team that won the District Athletics Carnival, and she was a District representative in X-Country and Athletics. She was the School age champion in Cross-Country and Athletics and she was part of the team that won the Metropolitan Grand Final for both Yr8 Netball and Touch. Rhys did all of this after breaking her wrist earlier in the year.

**The Yr9 Sportsperson of the Year award went to Chekole.** This year Chekole was part of our District Champion Athletics team that won the District Athletics Carnival, and he was both a District and a Regional representative in Athletics and X-Country. He was the School age champion in Cross-Country and Athletics went on to represent Queensland in X-Country and Athletics.

**The Yr10 Sportsperson of the Year was a three-way tie.** These three excellent athletes could not be split: The Yr9 joint Sportsperson of the Year is awarded to Mariah, Lorenzo and Chantelle. In 2014, Mariah was part of our School Touch team that won the District competition, and went on to win both the Metropolitan Final and the ENABLE Competition. She was a District representative for touch. She was our school age champion for Cross Country and she also represented Logan District in X-Country. Lorenzo represented Logan District and Metropolitan East in X-Country and went on to play for the Queensland U15 Rugby League Team this year at the Australian Championships. Chantelle was part of our School Touch team that won the District competition, and went on to win both the Metropolitan Final and the ENABLE Competition. She was a District representative for touch. She was our school age champion for Athletics and she also represented Logan District in X-Country and Athletics.

**The Year 11 Sportsperson of the Year has also had a fantastic 2014.** The Yr11 Sportsperson of the Year is Peter. Peter was part of our District Champion athletics team. He went on to represent Logan District in cross-country and athletics, and Metropolitan East in X-Country. Peter was also our school age champion in both X-Country and Athletics.

**The Yr12 Sportsperson of the Year has done some exceptional things in both touch and athletics this year.** The Yr12 Sportsperson of the Year is Velma. Velma was part of our champion school team that won both the district, ENABLE and metropolitan finals. She represented the district in athletics and cross-country and was also the district age champion for both sports. Velma went on to represent Metropolitan East at the Queensland State Athletics Championships.

Looking back on 2014...
As this year draws to a close I would like to congratulate all students for their excellent efforts in sport this year. We have had another very good year in sport, with lots of students and teams achieving significant successes. Congratulations and thanks to you all for your contribution!

It is very difficult to summarise all the fantastic things that have happened this year in sport so the following is but a condensed snippet of our successes:

- We started the year off with a small but hugely successful swimming carnival. You will see some of our ‘gifted’ swimmers in a presentation later on.
- Once again, our students dominated the Logan District Girls Touch Representative Teams with 17 girls making the squad.
- Chekole’s outstanding effort in making both the Queensland Cross Country and Queensland Athletics Teams.
- Josh and Lorenzo were also selected in Queensland Team for Rugby League.
- Our Open rugby League Team won the Titan’s Cup for the first time.
- The Yr8 Rugby League Teams won the Metropolitan Grand Final.
- The Yr8, 9 and Open Girls Touch Teams winning their Met Grand Finals.
- The Open Girls touch Team won the ENABLE Touch Competition for the 2nd year in a row.
- The Yr8 Girls won the Metropolitan Grand Final for Netball.
- Woodridge State High School won the Logan District Athletics Carnival for a 9th straight year. We were also the Logan District Athletics Champions in the Junior boys, Junior girls, Open girls and Open boys.

In closing I would like to acknowledge and applaud the tireless efforts of our coaches. Without their dedication our successes would not have been possible. That is - Mr Day, Mr Williams, Mr Holliday, Mr Roos, Mr Mulcahy, Mr Davis, Mr Millar, Mr Takaraingi, Mr McKenna, Mrs McKinnon, Mrs Barrett, Mrs McLaughlin, Tala, Mr Singh, Mr Schomberg, Mr Allen, Ms Simson and Mrs Kola, and Mr Silao.

Simon Wright
HOD  HPE & Sport
RUGBY LEAGUE PRESENTATION NIGHT - 2014

On Tuesday 18 November, the 6th Annual presentation night was held at the school forum. About 200 people filled all the seating to celebrate the many triumphs of the past season.

Parents & students were fortunate that Leapai sports were able to obtain Petero Civoniceva as our guest speaker. Petero, as a former Bronco, Queensland and Australian Test player has a very well crafted message for all players based on his rise through the grades where he was often anything but the first chosen.

Acknowledgement was made of various team awards for the season Year 8, 10 and open Logan District Premiers, Year 8 Metropolitan Shield winners, Open Division Titans Cup winners and Open Division Country Cup winners. Major individual awards were:

- Year 8 Best Allround player - Isaiah
- Year 9 Best & Fairest - Toga
- Year 10 Best & Fairest - Lorenzo
- Open Best & Fairest - Aaron & Greg (Tie)
- Mark Tookey Shield - Jay

The Leapai Brothers Shield went to 5 staff members or parents who have contributed enormously of their time & energy to Rugby League in 2014—Va’a Alofipo, Pastor Andrew Schmidt, Chaplain Tala Aufai, Mr Kurt Rose and Ms Casey Thomsen.

During the evening, thanks were given to our sponsors for this season:

- Maynard Accounting
- Logan Brothers
- Logan City Council (via Deputy Mayor Russell Lutton)
- Woodridge SHS P&C

In conclusion, many other thank you’s need to be added. Firstly to the helpers on the night - Mrs Goldyn Beckman (catering once again), and Mr Andrew Herbert (IT again), then the coaches - Tala Aufai, Mr Roos and Mr Rose, who have given so readily of their time this year. Finally the Administration staff of the school. Rugby League lurches from difficulty to difficulty without the support of the Principal (in 2014 Mr Sippel), the Deputies, Dean and HODs, while on the Business Services side a huge amount of work falls on the financial, general office and the cleaning staff.

So finally, sincere thanks to all involved in 2014 & let us continue to prepare well for 2014.

Dave Allen
Rugby League Co-ordinator

Saver Plus

Is your child at school or starting next year? Would you like $500 to help pay for uniforms, books, excursions or a laptop?

To be eligible you need to:
◊ have a Health Care or a Pensioner Concession Card
◊ have a child at school now or starting next year
◊ have some form of household income, for example, your partner or yourself may have casual, part-time, full-time or seasonal employment.

Saver Plus can match your savings for school costs, dollar for dollar, up to $500. Saver Plus is looking for new participants so enquire about signing up today!

To find out more, phone or SMS your name and postcode to 1300 610 355, or email saverplus@bsl.org.au
