P&C ASSOCIATION

Improving with you

Positive Experiences – Improved Outcomes

Welcome

The P&C Association is a vital link between the school and the home. Meetings are held every third Tuesday of the month at 6:00 pm in the P&C Office located in B Block. Membership of the P&C Association is open to all parents/caregivers and other interested members of the community.

The committee has a close working relationship with the Principal and staff and our involvement ensures that the school reflects the needs of our school community. It is vital that we attract new members to bring in fresh ideas to enable a continuous improvement in what we offer to the school. We invite you to join our association, have your say, and help us provide the very best educational experience for our children.

The Annual General Meeting is held in February each year, where all executive positions are open for election.

Once again welcome and we look forward to working with you.

Our Mission

We offer Parents and Friends of our school access to positive experiences that lead to improved personal and educational outcomes for our students.

The P&C represents the interests of Woodridge State School students, parents, staff, alumni and interested community members.

Consider joining the P&C Association. It is one of the best methods of keeping up to date with your child's progress and supporting your school community in all its endeavours.
