

WOODRIDGE STATE HIGH SCHOOL

2026 SCHEDULE OF FEES

**PLEASE READ THIS DOCUMENT CAREFULLY AS IT CONTAINS
IMPORTANT FINANCIAL INFORMATION**

The scheme's operation, resource inclusions and participation fees were approved
by the school's P&C Association.

**WOODRIDGE
STATE HIGH SCHOOL**
Empowered, Resilient... World Changing!

2026 Student Resource Scheme

Whilst the cost of providing instruction, administration and facilities for the education of a student at a state school is met by the State, parents are directly responsible for providing their student with other resources for the student's use whilst attending school.

Through the Textbook and Resource Allowance the Government provides funding for parents (paid directly to the school) which provides for the temporary use of prescribed text books. In addition to this Woodridge State High School has chosen to provide parents with a cost effective alternative to purchasing resources, consumables and other materials to ensure your student is able to engage with the curriculum.

Participation in the Scheme is optional and **no obligation** is placed on a parent to participate. A parent who does not wish to participate in the Scheme will be responsible for providing the items included on the resource list so their student can engage fully with the curriculum. **If you decide not to participate an appointment will be made with the principal or delegate to discuss provision of resources for your student.**

The types of resources that will be included are:

- **Owned by the student** – e.g. student diary and ID card – once provided, these items are retained by the student and used at their discretion.
- **Hired to the student for a specific duration of time** – e.g. textbooks or musical instruments—these items will need to be returned to the school in reasonable condition at the end of the hire period or if the student leaves the school.
- **Used in class** – e.g. core curriculum resources, stationery, timber, material, workbooks these items will be used in class. Finished products that are created from these resources will generally come home with the student.

The Department of Education provides a Textbook and Resource Allowance (TRA) to assist parents with the cost of textbooks and other education resources for eligible Years 7 to 12 students. For those students who are eligible to receive the TRA, the TRA will be applied to reduce the cost of participation in the SRS. Information on the TRA can be found on the department's website (<https://education.qld.gov.au/about-us/budgets-funding-grants/grants/parents-and-students/textbook-resource-allowance>).

Year Level	TRA Rate
Years 7 to 10	\$160
Years 11 & 12	\$348

An invoice for \$200.00 will be generated for all participants in the SRS at the beginning of the school year.

Please note: any student not participating in the Student Resource Scheme will not be entitled to keep practical projects and/or assignments completed at school using materials purchased by the school as part of the Scheme.

School Policy is that prior to any non-compulsory school activity such as excursions, competitions, performances, camps, senior jerseys, formals or sporting activities that all fees be paid or an approved payment arrangement entered into.

Please return the Participation Agreement Form to the payment office if you do not wish to participate and an appointment will be made with the principal or delegate to discuss provision of resources for your student.

If you opt for payment of student resource scheme in instalments – payments are due as follows:

- 1st Instalment: \$60 deposit of SRS Fees due by 27th February 2026
- 2nd Instalment: \$60 payment due by 20th March 2026
- 3rd Instalment: \$60 payment due by 22nd May 2026
- 4th Instalment: \$20 final payment due by 19th June 2026

Centrepay is available for eligible parents with a minimum fortnightly deduction of \$10 per student.

Important information regarding ID/Printing cards:

Students at Woodridge State High School are required to carry their Student Diary and Identification card with them at all times as access to printing and other services will require the ID card.

If a parent decides not to participate in the SRS it is a requirement that these resources are purchased separately at an initial cost of \$15. If Identification Cards are lost, stolen or damaged, replacements are available to purchase at a cost of \$15 for Identification Cards. ID cards are available from the Library after they have been paid for through the finance window.

Families experiencing genuine financial hardship are encouraged to contact the Finance Office on 3290 7222 discuss payment options that may be available to accommodate their circumstances. Woodridge State High School does have a Hardship fund that can be accessed through the Year Level Heads of Department or an application can be given through the Administration Office.

All items provided for temporary student use by the SRS or the Textbook Allowance remain the property of Woodridge State High School and shall be returned at the end of the education program or school year, or when the student leaves the school. Items provided for temporary student use shall be kept in good condition by the student.

Where an issued item is lost or negligently damaged or not returned, the parent will be invoiced and required to pay the replacement cost of the item.

PLEASE NOTE: STUDENT RESOURCE SCHEME FEES DO NOT INCLUDE ANY OF THE FOLLOWING
■ SPORT, ARTS OR ACADEMIC EXCELLENCE PROGRAMS
■ EXCURSIONS
■ EXTRA CURRICULAR ACTIVITIES
■ ITEMS LISTED ON THE STATIONARY LIST
■ ANY EXTERNAL STUDIES (EXAMPLE - CERT III)
<i>THESE ARE ALL OPTIONAL EXTRAS AND WILL BE INVOICED SEPARATELY AS REQUIRED</i>
